EMPLOYMENT FAIR

MAY 14, 2025

FÒRUM TELECOS UPC

2025 EDITION BROCHURE

INTRODUCTION

WHAT IS FÒRUM TELECOS

It is a job fair organized by the "Fòrum Telecos Student Association" of the **Barcelona School of Telecommunications Engineering (ETSETB) of the UPC** and aimed at all students in the area of Information and Communication Technologies.

Its objective is to **put our future engineers and companies in contact**. The fair allows participating companies to recruit those profiles that best suit their needs, while our students can meet many different companies and learn about their projects.

Since its first edition, Fòrum Telecos has been improving year after year. The current edition aims to continue growing, and consolidate itself as a high-quality job fair for the IT and communications industry.

WHEN AND WHERE

It will open its doors on the **14th of May 2024** from **9:00 am to 6:30 pm**. The fair will take place in **Plaça Constel·lacions** in front of the school's library which is located in the **Campus Nord (Zona Universitària).** The campus is well-communicated by bus and metro, which makes the location a privileged spot.

FÒRUM TELECOS UPC

INTRODUCTION

WHO ARE WE

The **ETSETB** is a public engineering school of the **Polytechnic University of Catalonia UPC** that offers a wide range of degrees, including **telecommunications**, **electronics**, **data**, and **physics**. We have **around 200 international students** thanks to the exchange programs between the school and other universities worldwide.

According to the reference rankings of 2021 QS and Shanghai universities, it is the **top university in Spain**, among the top 15 in Europe, and among the top 50 in the world in the ICT field. The ETSETB becomes a **benchmark engineering school**.

WHAT DO WE OFFER

Online CV collection portal

An online platform will be set up on our website with information on all the companies participating in the Fòrum.

For each company, students will find the company's logo on the platform; a video, or a presentation so they can learn about the company and its projects; a brief text, with information about the company that will include the profile and field of students sought; and an email to receive the CVs of the students.

This online portal will be **open during the fair.** Also, as a Premium option, the companies are able to start receiving the student CVs during the previous week.

Only our students have access to the online portal as it requires a student email from our **ETSETB-UPC school**. See screenshots of an example portal on the following page.

The Fòrum Telecos 2024 is designed with the aim of making attendance/access to the event as easy as possible and seeking to maximize the participation of all our students in conditions of being able to carry out internships.
Likewise, during the Fòrum, we will publicize the portal with the same objective of promoting participation using our social networks (Instagram and LinkedIn) and other communication channels.

FÒRUM TELECOS UPC

COSTS

FÒRUM BOOK

- Distributed to every student to boost participation and encourage visits to more companies.
- Includes a dedicated space for each participating company where students collect stickers as proof of visiting.
- The more stickers collected, the greater the chance of winning special prizes.

FÒRUM TELECOS UPC

COSTS

COSTS

- **Standard**: Consists of all the facilities explained previously in this document.

  Cost: 1650 € (IVA not included)

- **Premium**: Consists of all the points explained previously in this document, plus some extras:
  - **Instagram promotion:** Personalized post featuring your company, highlighting who you are, what you do, and what you're looking for.
  - **Promotion:** One promotion of your talent acquisition activities outside the Fòrum period through official school and Fòrum channels.
  - **Prime Visibility:** Better stand location and premium branding on posters, banners, and the Fòrum book. Your company will be labeled as a Premium Partner.
  - **Early access to the CV collection portal:** One-week advanced access to student CVs via the online portal to schedule interviews or meetings before the Fòrum.
  - **Option to add a TALK to your inscription** (More information in the following pages)

  Cost: 1800 € (IVA not included)

FÒRUM TELECOS UPC

COSTS

COSTS

EXTRA (PREMIUM ONLY): Talk

Before the Fòrum Telecos, the company has the chance to meet up with our students at a morning event the 7th of May, one week before the main fair. During this event, the company is assigned a time slot to present to the students. This is an excellent chance for students to initiate communication with companies and potentially initiate a selection process.

This extra can only be added to the premium modality.

Cost: +300 € (IVA not included)

EXTRA: Double Stand

In this edition, we offer our companies the option to **upgrade** their stand to a double stand for better comfort and higher impact.

Please note that we only have limited spots available for this upgrade.

Can be added regardless of the selected modality.

Cost: +600 € (IVA not included)

FÒRUM TELECOS UPC

OTHER INFORMATION

HOW TO PARTICIPATE

Around **thirty stands** will be available for the event. All of them will be placed in **Plaça Constel·lacions**.
This area is in front of the library and it is crossed by hundreds of students every day, which makes it a **strategic location** to place the event. Therefore, this fair is one of the best ways to interact with our students.

If you are interested in participating and have not gotten in touch with us yet, we encourage you to contact us at Fòrumtelecos.etsetb@upc.edu

MERCHANDISING SHIPPING INFORMATION

Merchandising shipments should be done on **May 12th and 13th**. The date for the **retrieval is May 15th**.
Any issues you may have, do not hesitate to contact us at forumtelecos.etsetb@upc.edu.
***Please, before shipping send us an email with the delivery details.**
